#48: Left, Right & Center (2012)

Download .MP3

314 mins | 56 kbp/s | 126MB

Where other political podcasts rely on demagogues to espouse their trite positions, Left, Right & Center does precisely the opposite. Selecting fresh thinkers from across the political spectrum, thinkers not pigeonholed into a tired system of beliefs, and moderated by centrist Matt Miller, the weekly roundtable debate on the important issues that shape the world is thought provoking, challenging, and always engaging.
